Becky,

Thank you for the copy of the bill from last session. Rep. Hines looked it over and he is satisfied with the wording so we would suggest no changes. If you have any questions, please feel free to call us at 266-7746.

Thanks again for your help.

Under current law, the owner of a dog is required to have the dog vaccinated against rabies. This bill requires the owner of a cat to have the cat vaccinated against rabies.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 a current certificate of rabies vaccination from this state or another state. The owner
5 of a dog or cat shall have the dog or cat revaccinated against rabies by a veterinarian
6 before the date that the immunization expires as stated on the certificate of
7 vaccination or, if no date is specified, within 3 years after the previous vaccination.

Note

Rep. Hines:

In redrafting the draft requiring rabies vaccination for cats, I noticed that ^{in last session's draft} I had neglected to revise the provision establishing the penalty for failure to have an animal vaccinated to include cats. The penalty for failure to vaccinate is a forfeiture of from \$50 to \$100. This draft adds cats to the penalty provision.

Please contact me if you have any questions or want any changes in this draft.
